

VOICE PC28 HD duo | mono NC

Crystal Clear Stereo Sound In Any Environment

The Axtel VOICE PC is a direct business headset designed for every type of work environment, from stationary office workers to remote mobile users who prefer to work on the move. The VOICE headset comes with a 3,5 mm jack plug that facilitates convenient integration with all smart devices.

The headset is available with 28 mm internal, foam speakers and a soft headband that guarantee extra comfort during extended use.

Larger ear plates ensure advanced noise cancellation by isolating the user from any loud surroundings while crystal-clear stereo sound allows for undisturbed, high-quality conversations.
